

CALIFORNIA RV SHOW

2019 FLOOR PLAN

WELCOME TO THE LONGEST RUNNING RV SHOW!

They say the journey of a thousand miles begins with a single step. In reality, it begins at The California RV Show, the West Coast's largest consumer RV show featuring more than one million square feet of RVs at the most competitive prices dealers can offer. Whether you're ready to embark on your first RV adventure, find your ideal upgrade or just get a firsthand glimpse of everything the lifestyle has to offer, you'll find what you're looking for here. And not only will you encounter every make and model from the industry's premier manufacturers, but live music, great food, celebrity appearances, rides and other family-friendly attractions that make the experience a thrill ride in its own right. Whether you drive off with a new RV or simply dreaming of one, you'll be glad you made the trip.
